REDCAP TRAINING SERVER

User Agreement

This agreement outlines the responsibilities of the applicant. You must read, understand, and agree to use the REDCap system in accordance with the information and obligations listed below. Violation of any of the terms of the agreement could lead to suspension of your access privileges by the University of Manitoba and/or George & Fay Yee Centre for Healthcare Innovation.

- The REDCap Training Server is intended for set up of projects and learning purposes only. It cannot be used to collect and/or store any actual data, including de-identified data.
- A REDCap account is assigned to a specific individual and cannot be shared.

I agree to the terms of this agreement:
